Natural Gas

delivered by Envestra

*The Natural Gas heating rebate is payable where homeowners purchase and install a new, not replacement Natural Gas heater before the 31/08/11. The \$750 rebate is payable on new Natural Gas ducted central heating systems. The \$250 rebate is payable on new Natural Gas log fires, space heaters or wall furnaces. The heating rebate is only available in the Natural Gas distribution networks owned by Envestra and from appliance retailers participating in the Envestra retail appliance incentive scheme. Conditions apply.
